Resignation J. Midson Regional Organiser

Comrades,

This correspondence confirms that J. Midson has resigned his position with the Union and will finish on Friday 15th April, citing family reasons. We thank Jamie for his time with the Branch and wish him well for the future.

I apologise for the delay in putting advice out to members, but was uncertain if Jamie had informed members locally.

The Union in conjunction with the Branch is considering options on a replacement and, of course members will be kept informed on this. As part of the 4 year election cycle there is the need to hold an election for the Branch Committee also, the committee would of course be fully appraised on timing and intentions regarding any replacement.

In the interim members can contact myself, Trevor or Tony at the Brisbane office or on our mobiles, or alternatively have Sue email any questions/inquiries down to us with your return numbers for answer as soon as possible.

Once again comrades hope you can bear with us through this period and work through your committees and delegates.

Regards
