Organiser for the AWU/MUA Alliance

The Australian Workers Union (AWU) is one of Australia's most innovative and robust trade unions.

The AWU is looking for a creative, enthusiastic and self-motivated Organiser to be based in our Perth Office in WA.

The AWU together with the Maritime Union of Australia (MUA) have embarked on a **joint union organising project within the offshore oil and gas industry.**

The role of the organiser will be to work within the joint union Alliance team.

Job Description

Working as part of the joint union Alliance team, you will have a **key role in developing and implementing effective campaigns** and work plans that fit into the campaign objectives and strategies to build the Alliance members collective power in the workplace.

There will be a **strong emphasis on recruiting members and developing workplace leaders and activists.**

Highly developed organising, campaigning and communication skills are an essential element in reaching the objectives of the campaign plans.

The role will require **reporting to the AWU West Australia Branch, AWU National Officials and the AWU/MUA Alliance Lead Organiser.**

The applicant to the role must be prepared to travel.

Experience & Qualifications Essential

- Demonstrated commitment to trade unionism and social justice.
- Good communication and interpersonal skills.
- Preparedness to work and participate in a team environment as per the terms of the AWU-MUA joint union Alliance.
- Current drivers Licence

Desired

- Computer familiarity;
- Good written communication;
- Ability to plan and provide regular reports on progress of plans.
- Industry Experience

Salary

Comprehensive salary package will be provided to the suitable candidate including the use of a motor vehicle and generous superannuation entitlements.

Send Application

Please send application and qualifications relevant to the above job description to Debra Bushell debra.bushell@awu.net.au no later than COB August 25 2009

Applications close - COB 25 August 2009
