OUR FUTURE

Worksite visits suspended temporarily

Unfortunately, with restrictions being enforced due to COVID-19, our regular worksite visits have been suspended for now. This is a position that is shared by your Employer and Maritime Super and in keeping with Government guidelines.

The Fund is committed to ensuring the safety of all staff, members and employers in response to this situation. We will update you as soon as we can start to come out to worksites again.

We appreciate that this is a challenging time, and we would like to let you know, we are still here to support you, even if it can't be face-to-face.

Access to financial advice

Our financial planners continue to meet with members for appointments over the phone. You can book online at www.maritimesuper.com.au/advice/book-it or get in touch with your planner in WA.
