THE

# BUST BUDGET

12.15pm Thursday August 28

STATE BUDGET DAY \* PARLIAMENT LAWNS

TURN UP TO TELL STATE PARLIAMENT TO REJECT THE HODGMAN GOVERNMENT'S ATTACK ON WORKERS AND THE TASMANIAN COMMUNITY. THIS BUDGET...

- +** Cuts more than **1500 jobs** on top of massive cuts in the Federal Budget
- +** **Slashes** health, education and community services
- +** **Freezes** wages and allowances
- +** **Ends** salary progression with no guarantee of future increases
- +** **Pays** Tasmanians less than Australia's minimum wage
- +** is **Worse than WorkChoices**—it breaks workplace agreements and ends workers' rights in Tasmania. You'll simply be told what you get, with no capacity to bargain

AND THEY WILL MAKE IT ILLEGAL TO PEACEFULLY PROTEST!

# BRING EVERYONE!
