

RALLY TO

THE

BUST BUDGET

12.15pm Thursday September 4

LAUNCESTON * CIVIC SQUARE

TURN UP TO TELL STATE PARLIAMENT TO REJECT THE HODGMAN GOVERNMENT'S ATTACK ON WORKERS AND THE TASMANIAN COMMUNITY. THIS BUDGET...

- +** Cuts more than **1500 jobs** on top of massive cuts in the Federal Budget
- +** **Slashes** health, education and community services
- +** **Freezes** wages and allowances
- +** **Ends** salary progression with no guarantee of future increases
- +** **Pays** Tasmanians less than Australia's minimum wage
- +** is **Worse than WorkChoices**—it breaks workplace agreements and ends workers' rights in Tasmania. You'll simply be told what you get, with no capacity to bargain

AND THEY WILL MAKE IT ILLEGAL TO PEACEFULLY PROTEST!

BRING EVERYONE!
